

40 C.F.R. § 60.5374c

Does this subpart directly affect designated facility owners and operators in my state?

- (a) No. This subpart does not directly affect designated facility owners and operators in your state. However, designated facility owners and operators must comply with the state or Tribal plan you develop to implement the emission guidelines contained in this subpart. States may choose to incorporate the model rule text directly in their state or Tribal plan.
