

40 C.F.R. § 118.13

Facility response training, drills, and exercises.

- (a) The owner or operator of any facility required to prepare a facility response plan under § 118.3 shall develop and implement a facility response training program and a drills and exercise program that satisfy the requirements of this section. The owner or operator shall describe the programs in the facility response plan as provided in § 118.11.
- (b) The facility owner or operator shall develop a facility response training program to train facility and non-facility personnel involved in CWA hazardous substance response activities. Training shall be functional in nature according to job tasks for both supervisory and non-supervisory operational personnel.
