

# Emerging Issues with Business Associates Emerging Issues with Business Associates

---

Richelle Marting, Attorney, Forbes Law Group LLC.

June 22, 2020

- Identifying and distinguishing third parties who are, and who are not, business associates under HIPAA
- Trends in arrangements – health app vendors, support services, staffing companies, and other gray areas
- Workforce or BA? Potential compliance and legal implications beyond HIPAA (e.g. employment law)
- Understanding the implications of the “just in case” business associate agreement contracting strategy
- OCR guidance and audit protocols
