

# Addressing Third Party FCPA Compliance Risks

---

Thad McBride, Partner, Bass, Berry & Sims PLC.

June 30, 2020

- Overview of FCPA provisions and the basis for liability for conduct by third parties
- Summary of third-party relationships – such as agents, distributors, venture partners – that create most risk
- Lessons learned from past enforcement actions involving conduct by third parties
- Compliance measures and advice for addressing risks related to third parties
- Investigative steps in the case of an actual or potential violation by a third party
