

GENERAL SESSION: Higher Education Compliance: 2019–20 Year in Review

GENERAL SESSION: Higher Education Compliance: 2019–20 Year in Review

Marisa Zuskar, Senior Director, Huron Consulting Group.

June 1, 2020

- Provide a Year-In-Review perspective of higher education compliance, as well as what the current environment and the past year suggest for the changes to come in 2020 and beyond
- Recap significant current events impacting higher education and major changes in the regulations impacting higher education, with a focus on the response of the impacted institution, the industry, and the community at large
- Cover the broad spectrum of higher education compliance areas including student administration, research and federal contracting, Title IX, NCAA, etc., as well as compliance program models for higher education
