

Anti-Corruption Risk Assessments 2020 – Best Practices Anti-Corruption Risk Assessments 2020 – Best Practices

Ann Sultan, Partner, Miller and Chevalier. Daniel Wendt, Member, Miller and Chevalier.

May 19, 2020

- What to consider when conducting a company-wide anti-corruption risk assessment for your business, as recommended by the DOJ in recent guidance
- Best practices for risk assessments covering specific operations, such as a specific country market or a specific business unit, including how to leverage multiple topics in addition to anti-corruption compliance
- How data analytics can help with risk assessments, such as identifying areas or markets of particular risk, scoping assessments, and identifying specific items for testing
