

The New BAA? New "Part 2" Contract Requirements The New BAA? New "Part 2" Contract Requirements

William Roberts, Associate , Shipman & Goodwin LLP.

March 4, 2020

- Effective February 2, 2020, the Part 2 Rules impose new mandatory contracting requirements
- Many providers, insurers and contractors will need to modify their contracts to comply
- We will address who needs to comply and strategies for doing so
- Discussion to include content requirements, best practices, and compliance checklists
