

Target Probe and Educate: The End of Insanity

Christine Hall.

February 27, 2020

- This presentation will reveal how providers are selected for review, the process of the review, the consequences of the review process and keys to prevention
- Show how TPE success works hand in hand with compliance because prevention truly is the desired message
- Support that providers who have a strong working compliance plan grounded in the seven key components, are taking the necessary steps to avoid becoming targeted
