

Responding to Data Subject Requests

Robert J. Bond, Partner & Notary Public, Bristows LLP.

September 16, 2019

- Overview of data subject rights under EU and other laws. Rights to object, to request access, to erasure and to portability
- Using case studies to give practical advice on how best to prepare for such requests and how to manage expectations given that such requests are not always absolute
- Developing policies and procedures to meet compliance obligations and the expectations of data subjects as well as what happens when the regulator gets involved
