

The Risks and Benefits of Healthcare Consolidation on Innovation and Clinical Research in Health Systems and Hospitals

Cynthia Hahn, President, Integrated Research Strategy. Emmelyn Kim, Assistant Vice President, Research Compliance & Privacy Officer, Northwell Health.

April 7, 2019

- Participants in this session will gain an understanding of the market and regulatory environment shaping consolidation of clinical research in hospitals and health systems as well as the business opportunity and compliance risk it represents
- Mergers and acquisitions of providers into research focused learning health systems or “Academic Health Centers” could represent better health outcomes and reduced costs. This trend presents compliance challenges as systems employ different models
- Participants will be provided with practical guidance and lessons learned when conducting due diligence on research programs with different operating models, including common pitfalls, risk assessment and mitigation strategies specific to research
