

# How to Prescribe Opioids to Treat Pain and Avoid Legal Sanction

---

Alicia Davis, President and CEO, Med Law Advisory Partners.

August 10, 2020

- Learn what triggers a prescriber audit, define “best practice” and discuss state opioid prescribing requirements
- Discuss how to effectively respond to a government inquiry/investigation: Embracing the vulnerability assessment and corrective action plan
- Where did they go wrong? Learn practical strategies to mitigate risk and demonstrate compliance through review of case studies involving government inquiry into provider opioid prescribing behaviors
