

Antitrust Compliance: What Does the Government Really Want? Antitrust Compliance: What Does the Government Really Want?

Christian Liipfert, Counsel, Scharf Banks Marmor LLC. Theodore Banks, Partner, Scharf Banks Marmor LLC.

September 15, 2020

- What are some of the surprising requirements/hidden traps in the Antitrust Division Compliance Guide, and how will government enforcers/compliance monitors respond to programs that purport to follow that Guide and the Federal Sentencing Guidelines
- While checking all the boxes of the government guidelines, what techniques are most likely to actually work in your corporate setting
- What are some of the requirements in the two dozen other countries that have published antitrust or general compliance guidelines?
