

Expanding into the Federal Marketplace: Compliance Issues to Consider When Doing Business with the Government

Robert Wagman, Partner, Bracewell LLP. Matthew Nielsen, Partner, Bracewell LLP.

September 16, 2020

- Through this session, attendees will gain a deeper understanding of the compliance requirements for doing business with the government, including the mandatory disclosure obligations in the Federal Acquisition Regulation (FAR)
- We will discuss the unique risks that primarily commercial companies face -- and the best ways those risks can be addressed -- when doing business with the government while expanding into the federal marketplace
- The session will also cover recent developments, best practices and practical steps for structuring and maintaining an effective compliance program that complies with the FAR
