# Health Care Privacy Compliance Handbook, 3rd Edition 4—Appendix A: Sample Confidentiality Statements Covered Entity Informed Consent Form

## CONFIDENTIALITY

As required by the federal Health Insurance Portability and Accountability Act (HIPAA), [Covered Entity] will take reasonable measures to safeguard the confidentiality of information that identifies you and relates to your past, present, and future physical and mental health, and conditions (protected health information) collected, used, and shared as part of this research. As part of this study, we may collect, use, and share protected health information about you as specified in the accompanying Research HIPAA Authorization Form.

## Publication and Teaching

Information derived from this study may be used for research purposes that may include publication and teaching. However, information used for publication and teaching will not disclose your identity.

## FDA Regulated Research

Because this research is regulated by the Food and Drug Administration (FDA), the FDA may inspect records related to this research, which may include your protected health information or other information about you derived or maintained as part of this study.
