

Incident To and Shared Visit Policy in Plain English Incident To and Shared Visit Policy in Plain English

David M. Glaser, Shareholder, Fredrikson & Byron PA.

October 27, 2020

- Recognize why the statement “new problems cannot be billed incident to” is incorrect; in fact, the test is whether care is in the course of treatment
- Recognize how private payers may apply different rules regarding shared visits and incident to
- Learn to distinguish between “best practices” and “regulatory requirements”
