

# Report on Supply Chain Compliance Volume 3, Number 23. December 10, 2020 Associated Press report finds rape, abuse in palm oil fields

---

By Sascha Matuszak

In an [article<sup>\[1\]</sup>](#) published Nov. 24, 2020, reporters for the Associated Press detailed accounts from women working in palm oil fields of their experiences being abused, sexually assaulted and held against their will. Palm oil is a key ingredient in millions of products sold around the world:
