
42 U.S. Code § 1320b-11

Blood donor locator service

(a) In general

The Commissioner of Social Security shall establish and conduct a Blood Donor Locator Service, which shall be used to obtain and transmit to any authorized person (as defined in subsection (h)(1)) the most recent mailing address of any blood donor who, as indicated by the donated blood or products derived therefrom or by the history of the subsequent use of such blood or blood products, has or may have the virus for acquired immune deficiency syndrome, in order to inform such donor of the possible need for medical care and treatment.

(b) Provision of address information

Whenever the Commissioner of Social Security receives a request, filed by an authorized person (as defined in subsection (h)(1)), for the mailing address of a donor described in subsection (a) and the Commissioner of Social Security is reasonably satisfied that the requirements of this section have been met with respect to such request, the Commissioner of Social Security shall promptly undertake to provide the requested address information from—

- (1) the files and records maintained by the Social Security Administration, and
- (2) such files and records obtained pursuant to section 6103(m)(6) of the Internal Revenue Code of 1986 as the Commissioner of Social Security considers necessary to comply with such request.
