

42 U.S. Code § 1383f

Annual report on program

(a) In general

Not later than May 30 of each year, the Commissioner of Social Security shall prepare and deliver a report annually to the President and the Congress regarding the program under this subchapter, including—

- (1) a comprehensive description of the program;
- (2) historical and current data on allowances and denials, including number of applications and allowance rates for initial determinations, reconsideration determinations, administrative law judge hearings, appeals council reviews, and Federal court decisions;
