(B) Continuation of enrollment permitted

Pursuant to rules specified by the Secretary, the Secretary shall provide that an MA local plan may offer to all individuals residing in a geographic area the option to continue enrollment in the plan, notwithstanding that the individual no longer resides in the service area of the plan, so long as the plan provides that individuals exercising this option have, as part of the benefits under the original medicare fee-for-service program option, reasonable access within that geographic area to the full range of basic benefits, subject to reasonable cost sharing liability in obtaining such benefits.

(C) Continuation of enrollment permitted where service changed

Notwithstanding subparagraph (A) and in addition to subparagraph (B), if a Medicare+Choice organization eliminates from its service area a Medicare+Choice payment area that was previously within its service area, the organization may elect to offer individuals residing in all or portions of the affected area who would otherwise be ineligible to continue enrollment the option to continue enrollment in an MA local plan it offers so long as—

- (i) the enrollee agrees to receive the full range of basic benefits (excluding emergency and urgently needed care) exclusively at facilities designated by the organization within the plan service area; and
- (ii) there is no other Medicare+Choice plan offered in the area in which the enrollee resides at the time of the organization's election.

(B) VA and DOD

The Secretary may apply rules similar to the rules described in subparagraph (A) in the case of individuals who are eligible for health care benefits under chapter 55 of title 10 or under chapter 17 of title 38.
