

## 42 U.S. Code § 1396h

---

### State false claims act requirements for increased State share of recoveries

---

#### **(a) In general**

Notwithstanding section 1396d(b) of this title, if a State has in effect a law relating to false or fraudulent claims that meets the requirements of subsection (b), the Federal medical assistance percentage with respect to any amounts recovered under a State action brought under such law, shall be decreased by 10 percentage points.
