
42 U.S. Code § 1396w-4

State option to provide coordinated care through a health home for individuals with chronic conditions

(a) In general

Notwithstanding section 1396a(a)(1) of this title (relating to statewideness), section 1396a(a)(10)(B) of this title (relating to comparability), and any other provision of this subchapter for which the Secretary determines it is necessary to waive in order to implement this section, beginning January 1, 2011, a State, at its option as a State plan amendment, may provide for medical assistance under this subchapter to eligible individuals with chronic conditions who select a designated provider (as described under subsection (h)(5)), a team of health care professionals (as described under subsection (h)(6)) operating with such a provider, or a health team (as described under subsection (h)(7)) as the individual's health home for purposes of providing the individual with health home services.

(b) Health home qualification standards

The Secretary shall establish standards for qualification as a designated provider for the purpose of being eligible to be a health home for purposes of this section.

(c) Payments

(1) In general

A State shall provide a designated provider, a team of health care professionals operating with such a provider, or a health team with payments for the provision of health home services to each eligible individual with chronic conditions that selects such provider, team of health care professionals, or health team as the individual's health home. Payments made to a designated provider, a team of health care professionals operating with such a provider, or a health team for such services shall be treated as medical assistance for purposes of section 1396b(a) of this title, except that, subject to paragraph (4), during the first 8 fiscal year quarters that the State plan amendment is in effect, the Federal medical assistance percentage applicable to such payments shall be equal to 90 percent.
